

Bike Ride - Mule Hill, Escondido
Saturday, December 13, 2014 9am -11am

Beginner-Friendly Ride, all levels are welcome.

Route: Loop Mule Hill to Lake Hodges East

Distance: 7.7 miles with 318 ft elevation gain.

[\[There is a map of the proposed route at VCTrails.org.\]](http://VCTrails.org)

We will go as fast as the slowest rider.

PLEASE NOTE:

The route is mostly dirt trail with a little bit of pavement riding.
It is not suitable for road bikes, hybrid bikes or beach cruisers.

All participants should bring their mountain bike in
sound mechanical shape and come prepared with
a spare inner tube, helmet, water and a snack.

Gloves and eye protection are highly recommended.

Meet at the staging area at the end of Sunset Drive, in Escondido.
Sunset Drive is at the point where Bear Valley Parkway turns into Via
Rancho Parkway.
