## **Daley Ranch Hike from Caballo Trailhead**

Join the Valley Center Trails Association for a moderate to strenuous 7 mile hike in the Daley Ranch. We will start on the Caballo trail and make our way up to Stanley Peak – the highest point in the Daley Ranch at 1983 feet. We will travel through chapparal and past high meadows. At the top are lovely views of Valley Center and Palomar. This out and back hike ascends 1,400 ft and has 1 ½ miles of continuous uphill at the start. Allow 3 1/2 hours.

Bring plenty of water, sun protection and wear sturdy boots or hiking shoes. Walking sticks are highly recommended. There is little to no shade on the trail.

Everyone is welcome and no pre-registration is required.
